Experience

STUDENT ASSISTANT

April 2024 - August 2024

I experienced to be a Student Assistant under of Miss Constantino of Information Technology Department.

Website Designer

July 3, 2025- July 27, 2025

I become a food/blog website designer. During this period, I honed my skills in creating visually appealing and user-friendly websites, focusing particularly on intuitive navigation and engaging content presentation. My responsibilities included designing layouts, selecting appropriate color schemes, and ensuring responsive design across various devices.
